Our members are our greatest ambassadors! Thanks for all you do!

"WHY CAN'T YOU JUST TAKE A PENALTY SHOT LIKE EVERYONE ELSE?!"

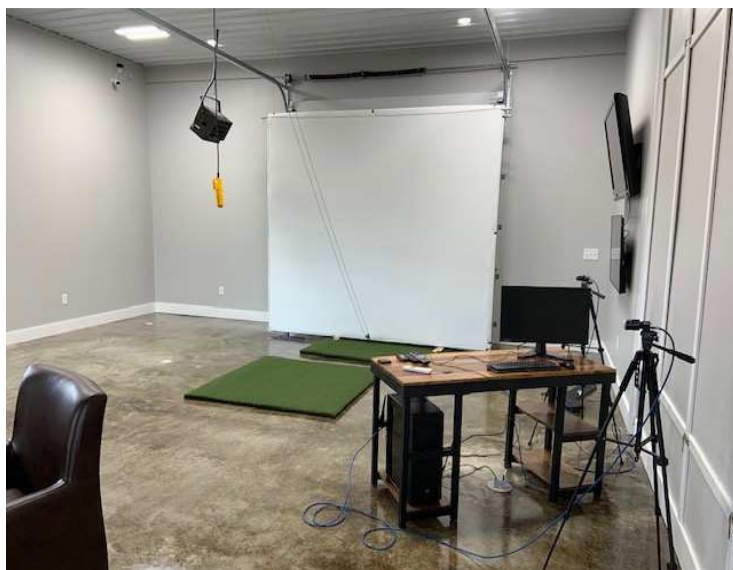

***The PGA Learning Center at Drake Creek  
Soft Opening this month. Seeking last 3 supporters.***

One industry professional took a look at Drake Creek's PGA Learning Center and quickly commented, "this is the best golf learning center this side of Vanderbilt." Wow! What a compliment!

The facility has honestly come along even better than planned. As we apply the finishing touches and iron out the last few kinks, I encourage anyone with an inkling of interest to come take a look at our new learning center. It's upscale, larger than you probably expected, and loaded with golf's newest technology.

The putting greens (arrived Feb. 1) still have to be installed and a few software systems have to be downloaded. We will begin soft openings / training sessions for supporters during the second week of February.

Please contact the golf shop if you have an interest in supporting the new facility.
