### Men's Cup Team

#### Dominates in October

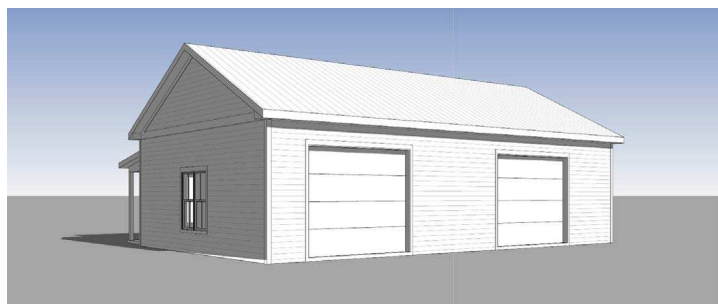

Our Men's Cup Team went 2-0 in October. (OK, OK full disclosure . . . Calvert City couldn't round up enough players so we are accepting a forfeit win for that match.)

But we did defeat Union County (IL) CC on October 24-25. We managed to halve the matches at UCCC on Saturday and then our team won 9, tied 1, and lost 2 matches at Drake Creek on Sunday.

Our team was represented by Robbie Parsons, Jeff Byars, Robert Belt, Jacob Belt, Greg Watson, Rob Proctor, Josh Noles, Warren VanWyck Sr., Warren VanWyck Jr., Matt Walkley, Drew Kirk, Kerry Creason, Troy Martin, and Sam Hoy. Way to go guys!

## BREAKING NEWS AT DRAKE CREEK

*The PGA Learning Center to start construction this month!*

Thanks to the pledged support of nearly 50 Drake Creek members, The PGA Learning Center is becoming a reality!

The PGA Learning Center will provide an indoor, climate controlled golfing venue to practice golf year around. Every shot hit in the learning center will be tracked via Flightscope (think Top Golf) on a large video panel. AND every swing will play back in slow motion on a different large video panel.

Each learning bay will also feature a large putting green, comfortable couches and chairs, TV, music, and a beverage station.

Supporters will have after hour access to the facility. So the PGA Learning Center has been designed with a social aspect as well. Looking for something fun to do? Grab a pizza and a few friends and head to the Learning Center. Hit balls, putt, watch the big game, listen to music and enjoy a fun golf evening like nowhere else in the area.

If you missed the email to pledge support for the facility and you have an interest in The Learning Center, then reach out to Todd at once. The Learning Center will eventually be available to everyone (book a room like a tee time), but only our supporters will have after hour access and enjoy discounted rates.
