

### Pro's Advice Drake Creek Golf Club

- #1 Driver, stay down far left side, Green drops off hard on back right corner-Double check wind before each shot
- #2 Driver, stay down left center, reachable in 2, if not reachable in 2, leave yourself 60+ yards to clear front left bunker. No trouble over
- #3 Driver, let it rip---no trouble
- #4 Driver, FAVOR RIGHT CENTER, walk up to green and check it out
- #5 173 to the front, 198 to the back, 185 to middle, -2 or 3 yards for downhill
- #6 273 to the end of the fairway, 150-170 yard shot to get safely to 100 yard marker
- #7 140 to front edge-163 to back edge
- #8 Driver, 29 yard deep green, know yardage to the pin
- #9 Driver, always uphill and wind in your face 99% of the time = 1 extra club, know where the pin is---34 yard deep green
- #10 Driver, left center of fairway or ball will feed left of right bank
- #11 243 yards to 162 yard marker, 276 yards to the fairway trap, stay left center of fairway
- #12 186 yards to 150 yard marker, 236 yds to 100, very narrow past the 100 yd marker
- #13 260 yards to 267 yard marker, watch trap down left side, 34 yard deep green, know where pin is
- #14 230 to 150 yard marker or driver over left side of tree
- #15 3 wood or Driver, --stay away from left side of green
- #16 Drive the green, make EAGLE, Do NOT go over
- #17 189 yards to front edge, 220 yards to back edge. Stay away from left ¼ of green. 30 yard deep green
- #18 265 to take bunker out of play, then another 20 to water ONLY if it is soft. On approach shot add one club for uphill
