DCGC COURSE NEWS

**SPRING IS AROUND
THE CORNER...EVEN
IF THE SNOW ISN'T
LISTENING.**

#prayingforwarmth

Winter is still putting up a fight here at DCGC. The fairways are tucked under a blanket of snow, the greens are snoozing, and your clubs might be wondering if you've forgotten them. But even with the white stuff hanging on, we're officially on the upswing toward spring.

Longer days are creeping back in and the course is quietly preparing for its big seasonal glow-up. Beneath that snow, the turf is resting, recharging, and getting ready for the moment it can burst back into color.

Our grounds crew is already planning the transition: monitoring moisture levels, prepping equipment, and mapping out early-spring maintenance so the course is ready the moment Mother Nature gives us the green light. Once the snow melts, you'll see us out there smoothing bunkers, grooming greens, and waking the course up for the season ahead.

In the meantime, this is the perfect window to check grips, clean clubs, and shake off the winter rust — because when the first playable day hits, you know everyone will be racing to the tee sheet.

Spring is coming, even if Kentucky weather is taking the scenic route. And when it finally arrives, Drake Creek will be ready to welcome you back with greener grass, warmer breezes, and that first satisfying swing of the season.

USGA GHIN HANDICAP RENEWAL UPDATE

Are you GHIN Handicap
ready for the 2026
season?

#ghinhandicap

As part of our annual review, we are updating the way we handle GHIN handicap payments to ensure accuracy and proper billing for all members. To streamline the process and avoid overcharges or missed payments, all GHIN accounts have been temporarily inactivated.

If you wish to maintain an active GHIN handicap for the 2026 season, please stop by the Golf Shop or call us to make your payment. Once payment is received, we will reactivate your account immediately.

This new procedure replaces the previous automatic bank draft and allows us to confirm each member's participation individually. Thank you for your cooperation as we work to keep our records accurate and up to date.
