DCGC UPGRADES...
we've been busy this winter! Come check us out!

We're making a few improvements around the club as we get ready for the season!

Our carts have been moved closer to the new Golf Shop for easier access. Inside the Golf Shop, we're updating the snack area now accessing the fountain machine and expanded self-serve food options that will roll out as we get closer to opening day.

THINGS TO REMEMBER AS WE HEAD INTO SEASON

Please, remember these
course rules when you
play...Part 1

#courseetiquette

As play picks up, here are a few reminders to help keep the course running smoothly for everyone:

- Tee Time Courtesy — If you need to cancel a tee time, please call the Golf Shop so we can adjust the schedule. No-shows may be subject to a cancellation fee.
- Group Size — Tee time spots are limited to foursomes. Groups larger than four cannot be booked in a single tee time.
- Staying With Your Group — Please remain with the group you are booked with. Joining up with another group on the course slows pace of play and affects the groups behind you.
- Cart Pairing — When playing with others, please double up in club carts. For a group of four, no more than two club carts are permitted.
- Course Care — Ropes have been removed for the season. Please avoid areas that should not receive cart traffic and do not drive on or near the tee boxes and/or past the blue poles near greens.

THINGS TO REMEMBER AS WE HEAD INTO SEASON

Please, remember these
course rules when you
play...Part 2

#courseetiquette

What is the 90 Degree Rule?

As we move into the season, please remember that we are operating under the 90-degree rule.

This means golfers should stay on the cart path until you reach a point that is even with your ball, then make a 90-degree turn onto the fairway. After hitting, return to the cart path as soon as practical.

This helps protect the turf, reduces unnecessary wear on fairways, and keeps the course in great shape for everyone.

When there are no course restrictions, please operate by the 90 Degree Rule.

USGA GHIN HANDICAP RENEWAL UPDATE

Are you GHIN Handicap
ready for the 2026
season?

[#ghinhandicap](#)

As part of our annual review, we are updating the way we handle GHIN handicap payments to ensure accuracy and proper billing for all members. To streamline the process and avoid overcharges or missed payments, all GHIN accounts have been temporarily inactivated.

If you wish to maintain an active GHIN handicap for the 2026 season, please stop by the Golf Shop or call us to make your payment. Once payment is received, we will reactivate your account immediately.

This new procedure replaces the previous automatic bank draft and allows us to confirm each member's participation individually. Thank you for your cooperation as we work to keep our records accurate and up to date.
